National Commander Of Legion John Stelle Comes For Banquet Event

OTHER LEGION NOTABLES HERE

New Castle will be host this afternoon and evening to John Stelle, National Commander of the American Legion, the most two-fisted fighter for the rights of the returned veteran in this country, when he appears here as the guest of the posts of the 26th American Legion District, comprising Lawrence, Beaver and Butler counties, at the annual National Commander's banquet in The Cathedral, this evening at 6:30 o'clock.

Mr. Stelle is one of the most colorful commanders the American Legion has had in many years, one who has refused to be intimidated by the size or office of those who have stood in the way of the returned veteran.

RESULT OF DIET TESTS IS GIVEN

CHICAGO, April 13.—(INS)—Direct evidence of what can happen to undernourished people in distressed areas of the world was supplied today by seven conscientious objectors who served as human guinea pigs at Northwestern university.

The men participated in diet tests for 31 months at the university medical school in experiments supervised by Dr. Andrew C. Ivy, Dr. Theodore E. Friedemann and Maj. George Berryman.

Results of the tests established that persons living on a diet deficient in proteins and vitamins suffer a slow, steady decline in physical and mental well being. This happens even though their diet may contain enough calories to avert hunger.

PA NEWC OBSERVES

This week's fourth heavy frost was noted this morning, the official temperature during the coldest part of the night dropping to 25 degrees.

Preparations were made early at many homes and business places for the paper collection today. Bundles of paper were out on the curb early this morning.

Some of the unpaired thoroughfares in this area are sending up huge clouds of dust these days, when traffic is moving. Whether these thoroughfares will be oiled or not, is not known, but there is certainly a need for dust laying.

From the number of cellar excavations to be found around the county, there are apparently a lot of persons who are going ahead with the home building program regardless of building condition handicaps.

Mr. and Mrs. Walter Dean, East Brook road, reported to Pa. News this morning, that they have a bed of pansies in bloom in their yard, at the present time.

Deshon Hospital To Close April 30

Only 20 Of Army's Wartime Peak Of 65 Hospitals To Remain After June 30

PATIENT LOAD OF HOSPITALS DECLINES

WASHINGTON, April 13.—(INS)—Only 20 of the army's wartime peak of 65 general hospitals will remain open after June 30, under plans announced today by the war department.

This calls for the closing by that date of 13 additional general hospitals and two convalescent hospitals, which were listed by the department. One of the general hospitals will close on April 30.

The Thomas M. England general hospital, Atlantic City, N. J., was placed on this list despite appeals from wounded patients there, veterans organizations, Mayor Joseph Altman of Atlantic City and Sen. A. H. Smith and Rep. T. M. Hand, both New Jersey Republicans.

They petitioned the war department to keep the hospital open at least until September.

Secretary of War Patterson also was petitioned on April 8 personally by a group of amputees from the hospital when he was on a visit to Atlantic City.

Today's announcement said that Patterson had "reluctantly" reached the conclusion that it would be impossible for the army to continue the hospital when he was on a visit to Atlantic City.

On the basis of the INS poll, the major opposition to the loan is among midwestern and western farm state senators, with some cotton state members also against it.

As the senate prepared to take up the controversial issue those figures virtually assured an eventual victory in the senate for the loan agreement.

Poll Of Senators Indicates Favor Of British Loan

WASHINGTON, April 13.—(INS)—An International News Service poll showed today that at least 48 senators have decided tentatively to vote for the proposed three and three-quarter billion dollar British loan.

Thirty-two are set to vote against the credit unless their minds may be changed in the debate that begins on the senate floor next week.

Thirty-one Democrats and 17 Republicans were for the loan. Twenty-one Republicans and 11 Democrats were against it.

May 1 Paris Peace Parley To Be Delayed

Indications Are That Big Four Session Will Postpone Peace Conference

SEE DEADLOCK IN BIG FOUR POSSIBLE

WASHINGTON, April 13.—(INS)—The May 1 Paris peace conference today was due to be indefinitely postponed pending the result of the "big four" Paris meeting of foreign ministers on April 25.

Responsible sources revealed that differences between the major powers on issues which may deadlock the "big four" meeting has caused Paris to withhold issuance of invitations to the meeting. The Paris talks had been designed to move home the occupation armies of most of Europe and restore stability to that suffering area.

Defeat For U. S. Policy

Postponement of the Paris conference, observers believed, will represent a major defeat for United States foreign policy. Secretary of State James F. Byrnes had inserted into the Moscow declaration the phrase calling for a Paris peace conference to meet a deadline of May 1. That date was predicated on the ability of the London council of foreign ministers—now in the hands of deputies—to formulate a draft of the peace treaties well in advance of that date.

Thus far every indication is that the deputies cannot arrive at anything resembling an agreement before the Paris meeting.

From all reports reaching Washington, their inability to agree has resulted from the unwillingness of the Soviet Union to yield on such major questions as the future of the Italian colonies, the possession of the Dodecanese Islands and the Italian-Yugoslav border.

High officials foresaw no break to this impasse. Byrnes was reported in a more or less gloomy frame of mind almost on the eve of his departure for Paris.

Aged Man Admits He Killed Wife

HARRISVILLE, Mo., April 13.—(INS)—First degree murder charges were filed today in Cass county court against Charles H. Rigdon, 75, confessed slayer of his 72-year-old wife of 13 months.

The charge was filed this morning by Prosecutor George R. Chamberlin. Date for preliminary hearing was not immediately set.

Sheriff Temple Forrest said Rigdon signed a statement last night admitting he shot his wife, Mrs. Minnie Rigdon, at their farm home near Garden City, Mo., last Friday.

Rigdon at first had maintained his wife had committed suicide.

More Conferences On Coal Strike

WASHINGTON, April 13.—(INS)—Special Conciliator Paul W. Fisher held further "informal" talks with bituminous operators today as the government redoubled its efforts to effect a resumption of negotiations in the soft coal wage controversy.

At the same time, Assistant Secretary of Labor John W. Gibson was understood to be arranging a conference with UMW President John L. Lewis who precipitated the present tie-up by bolting the negotiations last Wednesday.

Moscow Radio Says Red Troops Can Leave Iran

LONDON, April 13.—(INS)—The Moscow radio said today that the withdrawal of Soviet troops from Iran has become possible now that "measures have been taken to prevent Iran from being used as a base against Russia."

The broadcast, quoting the official Tass News agency sought to justify the delay in evacuating Soviet forces with the declaration that the Soviet-Iran treaty of 1921 granted Russia the "right to advance troops into the interior of Iran and keep them there until the final elimination of danger" to the Soviet Union.

"Now," the broadcast added, "thanks to the measures taken with the help of the government of Premier Ahmad Ghassem, this stage has been reached and permits withdrawal of Soviet troops."

The statement traced Soviet-Iranian relations, asserting that "the Soviet government is putting into effect its policy to respect the sovereign rights of all peoples."

United Nations Security Council Faces Big Issues

Diplomatic Skill To Be Strained To Utmost At Sessions On Monday

IRAN AND SPAIN POSE PROBLEMS

NEW YORK, April 13.—(INS)—The United Nations Security Council at its Hunter College session Monday will find its diplomatic skill strained to the utmost in reaching satisfactory decisions to Russia's demand that the Iranian issue be dropped from the agenda and on Poland's move against Franco Spain.

The delegates from the eleven nations, back in town after yesterday's memorial pilgrimage to the late President Roosevelt at Hyde Park, were busily conferring today on the line-up for battle when the session of the council begins at 3 p. m. Monday.

The Iranian Ambassador Husein Ala says he is determined to press his charges if necessary to keep the case of Iran on the agenda until groups had been operating over.

Gen. Marshall Is Flying Back To Troubled China

Returning As President Truman's Envoy To Attempt To Save Situation In China

WASHINGTON, April 13.—(INS)—Gen. George C. Marshall was flying back to China as President Truman's special envoy today to save a rapidly crumbling situation which the wartime chief of staff regards as the main threat to world peace.

When Marshall returned to the United States several weeks ago the situation in China was regarded as well in hand. Within a few days his arrival, however, he described the situation in Manchuria as "extremely critical" with peace in the Pacific the main stake.

Since then the situation has rapidly deteriorated. Communists and nationalists in Manchuria are at odds and some sources doubted that the effective machinery which Marshall had confidently set up before his departure could still the trouble.

Before Marshall left, teams composed of one each of the Kuomintang, communist and American (Continued on Page Two)

CONSISTORY MEN HEAR FRANK BUCK

Crowd Of 2,500 Thrilled By Exploits Of Big Game Hunter At Smoker In The Cathedral

Members of the Valley to New Castle Consistory and guests from the blue lodges were thrilled by the exploits of Frank Buck, noted big game hunter, who has been capturing the most ferocious of wild animals for circuses and zoos since 1912, when he appeared as guest at the fish fry held in the Cathedral Friday evening.

Mr. Buck stated that contrary to the belief of most people, these wild animals are not nearly as dangerous in their native habitat as would be thought, but will go out of their way to avoid humans. The only exceptions he had found, he stated, were the king cobra and man eating tiger.

He showed sound pictures taken in the jungles which showed animals in mortal combat, the capture of many wild beasts and reptiles, including huge pythons.

A delicious repast of fish was served following the program.

Sharpsburg Fire Damage \$135,000

PITTSBURGH, April 13.—(INS)—Firemen today estimated damage at \$135,000 to the bottling plant of Fort Pitt brewery in nearby Sharpsburg which was gutted yesterday by fire.

Brewery officials said the loss included thousands of cases of beer which were either destroyed or rendered unfit for consumption, and \$50,000 worth of labels and cartons stored in the building.

The origin of the blaze has not been determined.

Some Senators Oppose A-Bomb Pacific Tests

WASHINGTON, April 13.—(INS)—A handful of outspoken senators insisted today they would fight for cancellation of the Navy's atom bomb test as the Senate naval committee took up the question of at least reducing the fleet of "target" vessels.

Sen. Lucas D. III, charged that any test would weaken America's defenses because it would give the rest of the world information on the atomic bomb which they do not possess today.

Will Go Through
It was apparent even to opponents of the plan however that, as confirmed by President Truman, the two Bikini atom bomb tests starting July 1 would go through with Congressional authorization.

Senate action on a bill authorizing the use of naval ships in the experiments was postponed suddenly at 11 o'clock.

Starvation Faces Millions In Far East Is Report

CLEVELAND, April 13.—(INS)—Roy F. Hendrickson, deputy director general of the United Nations Relief and Rehabilitation Administration, declared today that millions in the far east will starve unless the western hemisphere sends them food.

The UNRRA official told the council on world affairs that famine in the far east "is no longer a grim specter—it has arrived." Hendrickson asserted:

"Over vast areas of the far east, millions of famished men, women and children have no certainty in common—the certainty that unless food arrives in the immediate future they will be dead."

He specified China, Indo-China, the Philippines and the Netherlands East Indies as areas where starvation is imminent.

Model Community Now 'Ghost Town'

ARTHURDALE, Va. Va., April 13.—(INS)—The nation's two and a half million dollar "model community" experiment—today appeared destined to become a ghost town.

The Federal Public Housing authority, advertising sale of the site's three industrial plants and the large field-store inn, erected by the government to give residents employment.

Arthurdale, a social resettlement experiment that had been the pride of Mrs. Eleanor Roosevelt, has been on the downslide.

The community farm went into the red and was taken over by West Virginia university for an agricultural experiment station about 30 of the original settlers have moved.

A hundred and sixty-five homes were built at the site.

House Reaches Voting Stage On Draft Extension

Major Issues Face House As Voting On Draft Proposals Is Begun

SEE "HOLIDAY" ON INDUCTIONS (BULLETIN)

WASHINGTON, April 13.—(INS)—The House voted 195 to 96 today to exempt youths of 18 and 19 from the draft.

The ballot was the first test of congressional sentiment on extension of the selective service act.

WASHINGTON, April 13.—(INS)—The House votes today on whether to continue the draft May 15 with the first test of congressional sentiment finding administration spokesmen frankly fearful over the outcome.

Opponents of the pending bill, which holds administration support, predicted that the house would exempt boys of 18 and vote a "holiday" on inductions of four to nine months.

The measure before the house extends the selective act for nine months, from May 15, 1946 to Feb. 15, 1947, and provides for inductions of non-inductees aged 18 through 25, instead of 18 through 44 as in the existing law. A senate bill extends the draft for a year, but a vote on that has been postponed until after the house acts.

Facts Facing House
As the voting began, following a day of general debate, these major issues faced the house:

1. Whether to extend the draft or permit it to expire.

2. Continuation, but with a "holiday" on inductions of four to nine months.

3. Exemption of boys of 18 and 19.

4. Extension for less than nine months.

5. Pay increases to stimulate voluntary enlistments.

BALTIMORE, Md., April 13.—(INS)—Disaster struck a Maryland family today when two children were burned to death and their parents and six brothers and sisters injured in a fire which destroyed their home in Chesaco Park, a suburb of Baltimore.

Guidance Center Is Planned By VA

Vocational Guidance Center
Will Be Set Up Here Soon
By Veterans Administration

"Future plans call for the inauguration of a vocational guidance center in New Castle within the very near future," said Mr. Kenneth S. Covey, manager of Veterans Administration's Pittsburgh Regional Office, today.

In connection with the establishment of the proposed center, Dr. Clyde Gleason, chief of vocational guidance division of the Pittsburgh Regional Office of Veterans Administration, revealed that its purpose would be to meet present demands for vocational guidance in this area.

"This service," Dr. Gleason continued, "consists of a careful analysis of the veteran's background in education and experience, a study of the veteran's abilities through the medium of tests and measurements, and medical examination where necessary—these steps leading to the selection of a vocation and a program of training for the veteran financially supported by Veterans Administration."

Five counties will be served through the center, including Lawrence, Beaver, Butler, Mercer and Venango.

which was charged with the monumental task of drafting the GI Bill of Rights for World War Two veterans, and of steering it through Congress to final enactment. To accomplish this, Stelle and his committee had to overcome every sort of obstacle.

He is admired by the Legion for his outstanding qualities—a tremendous fighting spirit, unswerving loyalty to his friends, and an unending allegiance to his principles.

He was born in McLeansboro, Ill., on August 10, 1892, and educated at McLeansboro and the Western Military Academy, at Alton, Ill. His father was a county judge, and Stelle, as a youth played professional baseball with the Owensboro, Ky. team in the old Kitty League. He later studied law and passed the

Illinois State Bar examination in 1916.

Enlisting as private at the outbreak of World War One, in the Illinois National Guard, on April 17, 1917, he was later admitted to Officers' Training school, and commissioned a first lieutenant in November, 1917. He went overseas with the 30th Division, was gassed and wounded, and won his captain's bars on the field of battle. He attended the St. Louis caucus in which the American Legion was perfected in St. Louis in May, 1919, and has been most active in Legion affairs since that time.

Others Leaders Coming
With Stelle and his party will come Department Commander James P. Murray, of Forest City, Pa., well known to local Legionnaires and a host of other National and Department officers of the Legion, and the American Legion auxiliary.

He is scheduled to address the Legionnaires and their friends in the Cathedral auditorium at 8 o'clock, and those who do not attend the banquet will have the privilege of hearing him, as the balcony will be opened to the public at that time.

Chairman C. C. Swezey, of the banquet committee stated this morning that all arrangements for the event have been completed, and Commander Stelle and his party are due to arrive here during the afternoon. He will remain overnight here after completing a strenuous week of meetings and dinners in Pennsylvania.

In addition to the speaking program, a fine program of entertainment has been arranged for this evening, which will include several outstanding radio artists in the music world. This will be followed by dancing in the ball room.

Orchestra At Youth Center Next Monday

For the second time an orchestra will provide the music for dancing in the recreation center on the third floor of city hall Monday evening. Mrs. Bessie Clark, supervisor of the center, announced today.

The orchestra was well received on its first appearance two weeks ago, and attracted a larger-than-usual crowd.

Two hundred and thirty-five young people attended the dance in the recreation center Thursday night, when the center was open to the older-than-high-school crowd. This age group can dance each Thursday evening and the attendance has been growing larger each week, Mrs. Clark reported.

UNITED NATIONS SECURITY COUNCIL FACES BIG ISSUES

(Continued from Page One)

May 6, when the last of the Russian troops should be out of the country. Observers are positive that only circumstances now unforeseen can prevent the council from reaffirming its earlier decision to keep the case off the books in alignment with the Russian demand.

But Soviet delegate Andrei Gromyko is believed to have a new card up his sleeve. The indication, out of Moscow, is that he will support the Polish demand to indict the Franco regime as a threat to world peace with heart and soul. In delegate circles it is reported that he will battle the American and British viewpoint that there are not enough facts to warrant the indictment of Franco with every name at his disposal, although at present it is believed that a majority opinion holds the contrary view.

The Polish ambassador, Oscar Lange, was said to be planning a "full presentation" of his case against Spain as soon as the council calls upon him to do so. He indicated, however, that his accusations as contained in his letter that German scientists are engaged in "developing new means of warfare" will not comprise the main argument at the council hearing.

the request of Sen. Walsh (D-Mass., Naval committee chairman). Walsh, apparently unaware that the Navy already had announced it would use only 77 of the 100 target ships in the first test, recalled the legislation for hearings on the matter of reducing the "guinea pig" fleet.

He first announced the Navy had agreed to trim the overall fleet from 100 to 74. Later he said it appeared that the Navy merely would submit alternative plans for the committee's consideration.

No Changes In Mind
A spokesman for Adm. W. H. P. Blandy, commanding Operation Crossroads, at Bikini, made it plain the Navy had no change in mind on the size of the test fleet.

The Navy's present arrangement, call for exposing 77 ships of different categories when the first bomb is detonated well above the surface of the Pacific atoll. Twenty-three other vessels, including five transports and three destroyers, will be held as "spares" for the second test—explosion on the water's surface. Despite President Truman's firm statement that the tests will go on as scheduled, the sponsors of a Senate resolution urging cancellation declared they would continue their opposition. Lucas and Sen. Hufman (D-Ohio, co-authors of the resolution, said they would vote against the naval authorization bill when it comes up again.

China's vast distances, bringing peace in areas that had been long at war and did not know of the Marshall-arranged deal for peace among them.

Similar plans were poised to carry the same message to Manchuria. A few had left and the United States had established consulates in Mukden and Dairen. For reasons not yet clear, the effectiveness of this arrangement has broken down in northern Manchuria. It may remain for Marshall to patch up the situation.

Official information from Manchuria was said to be still meager. Soviet officials on the higher level had indicated a "hands off" policy as between nationalists and communists. But it cannot yet be determined whether Soviet officials on the lower level are following the example set by Moscow.

HOUSE REACHES
VOTING STAGE ON
DRAFT EXTENSION

(Continued from Page One)

he was offering an amendment to exempt ten-year boys Rep. Short (R-Mo.) motion picture committee member indicated he would move to end the draft entirely.

The proposal for a "holiday" on inductions had many proponents, among them Rep. Harness (R-Ind.), another committee member, and Rep. Vinson (D-Ga., naval affairs committee chairman). Harness favored a full nine-month suspension of inductions until Feb. 15, Vinson five months, until Oct. 15.

Administration spokesmen indicated they were prepared to accept the Vinson proposal, or something similar to it, if the Harness amendment appeared headed for passage.

Vinson's proposal would authorize the president to resume inductions if sufficient volunteers could not be obtained during the "holiday," while the Harness amendment carried no such provision.

Many amendments proposing pay increases were readied for introduction, ranging from a straight \$400 boost for all military personnel, regardless of rank to sliding scales which favored lower grades. Predictions were made that the pay raise amendments would be thrown out without a vote as not germane to the legislation.

Both the house and senate military affairs committees have already approved separate bills embodying substantial pay increases.

Playball Club
Playball club was entertained by Mrs. John Grove at a local tea-room Thursday evening. Tables of 500 were in play.

Prizes went to Mrs. Harry Fye and Mrs. Louis Edmiston. Afterwards a lunch was served.

COUNTY CANCER CAMPAIGN AIM IS TO RAISE \$12,000

(Continued from Page One)

with Emanuel Shenkan as vice-president, Mrs. Sylvia Sturdevant as secretary, Hubert B. Sadler is treasurer and Mrs. J. W. McIlwraith is the field captain. Honorable John G. Lamore will act as chairman during this year's effort to raise funds.

Half of the total raised in the county will remain in this locality and will be divided between the two hospitals in Ellwood City.

It is the hope of the association to buy an autotechnicon, a newly developed machine which analyzes cancer-infected tissues in a matter of hours. It used to be a long process to discover the degree of infection from this dread affliction.

Never was an appeal issued which had such a direct bearing on the happiness and lives of everyone. If the present trend continues one out of every six Americans will fall victim to this disease. Cancer is killing 175,000 persons each year and the rate of one every three minutes.

The society is waging a three-pronged battle against this killer—education to teach the public to recognize cancer symptoms early; setting out of the way of a car going to provide hospitals for a greater diagnosis and cure; also providing aid to indigent victims; research to achieve, through a hurt.

Additional funds are needed to expand these projects and bring hope to the thousands who are now afflicted.

So that others may live—give.

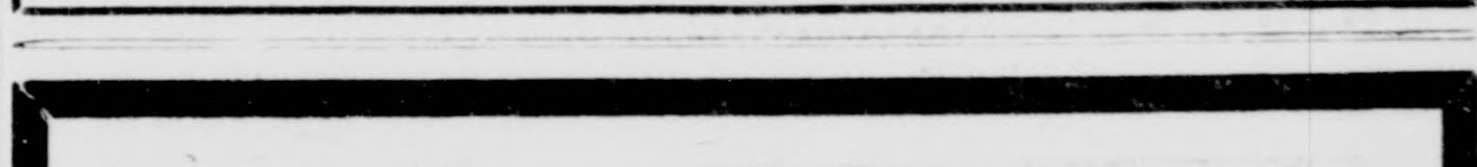

STEPS AGAINST CAR AVOIDING ANOTHER

Howard Brennenman, age six, of 8 Morris Way, while at North Mill and North streets at 4:10 p.m. yesterday, stepped back into the left front fender of the auto of Paul Jones, 907 North Mercer street, while setting out of the way of a car going south on North Mill street. A physician following an examination reported the boy was not seriously hurt.

Vegetables and Strawberries All Of Them Garden Fresh

The guests said it was a completely successful dinner—even the hostess was satisfied—the food was just right—but the secret of it all was the strawberries and the vegetables—all of them garden fresh—and weeks out of season in this climate.

The hostess had a great deal to do with the dinner of course—but a lot of guys named Joe were responsible also—those lads who drove the trucks—that carried the berries and vegetables—that looked and taste so good at the dinner.

Perhaps the hostess never heard this line "Ship By Truck". But that was the big reason her dinner was a success.

At an open church ceremony at 6 o'clock Friday evening in the First Christian church, Miss Lois Maxine Badger, daughter of Mr. and Mrs. Henry M. Badger of East Washington street, became the bride of Edward Allen Dean, son of Mr. and Mrs. Edward Dean, of East New Castle.

Calla lilies, ferns, and palms banked the church altar as a setting for the ceremony performed by Rev. Henry T. MacNicholas of Wilmington, assisted by Rev. Walter W. Gilliland, pastor of Savannah Methodist church.

The bride, given in marriage by her father, wore a gown of white satin made with fitted bodice and sweetheart neckline and full skirt. Her train-length veil of net and lace fell from a bandeau of seed pearls.

Best man was Samuel J. Badger, groom's mate, 2nd, of the navy, brother of the bride.

Wedding music included three favorite selections of the bride sung by Mrs. Betty Downing. Mrs. Kathryn Nesle Allen was at the organ.

Following the ceremony, the bridal party formed a receiving line in the vestibule of the church and later went to the Green room of the Y. W. C. A. where buffet refreshments were served from beautifully decorated tables with Mrs. Jesse Hite, Mrs. William Donaldson, and Mrs. Helen Marone pouring for guests.

WHICH CHURCH DID CHRIST BUILD, THE CHURCH OF GOD, OR THE CHURCH OF CHRIST?

1. (In Matthew 16:18) Christ said:—"Upon this rock I will build MY CHURCH." "MY CHURCH" explains plainly it belongs to CHRIST, therefore it should wear HIS NAME.

2. Paul said, "THERE IS ONE BODY" (Ephesians 4:4). Do you believe the Apostle Paul told the truth?

3. "But now are THEY many members, yet one BODY" (1 Cor. 12:20).

4. FOR THE HUSBAND IS THE HEAD OF THE WIFE, EVEN AS CHRIST IS THE HEAD OF THE CHURCH (Eph. 5:23). The wife must wear the husband's name, therefore the husband's name is CHRIST, therefore the bride (Church) will wear the name of CHRIST, NOT GOD, hence the name CHURCH OF CHRIST.

5. Paul called the various congregations CHURCHES OF CHRIST, (Romans 16:16). "THE CHURCHES OF CHRIST" is the name of the church, therefore, "salute you CHURCHES OF CHRIST". In speaking of one true church you should use this term CHURCH OF CHRIST, in speaking of more than one true church you should use the term CHURCHES OF CHRIST.

6. If one school teacher says 2 and 2 are 4, another says 2 and 2 are 5, another says 2 and 2 are 6, would you say all answers were correct? CHRIST says "the truth shall make you free". The truth is CHRIST is the HEAD of HIS CHURCH and the BIBLE calls them CHURCHES OF CHRIST (Romans 16:16).

7. I can hear some one say does not the Bible say "I am the vine ye are the branches" (John 15). Let us study that passage, "I am the vine—(CHRIST is the vine)— YE are the branches"—YE, who? "He that abideth IN ME, and I in HIM". HE means a human not a group. HE that abideth, ye, you are the branches you Christians are the branches of Christ, isn't that plain. Note "I a MAN abide not in me he is cast forth as a branch".

The key to that scripture is INDIVIDUALS are THE BRANCHES.

YOU CANNOT BEAR FRUIT AWAY FROM CHRIST, THEREFORE YOU MUST BE CONNECTED TO THE VINE (CHRIST), THEN YOU ARE IN CHRIST, AND YOU ARE A MEMBER OF THE CHURCH OF CHRIST. (Acts 4: 11-12) (Eph. 5:23) (Col. 1:18-24).

Dr. J. E. Jessop To Address Ministers

President Of Chicago Evangelistic Institute On Monday Morning Ministerial Program

Dr. J. E. Jessop, president of the Chicago Evangelistic Institute, will be the speaker Monday morning at 10 o'clock when the New Castle Ministerial Association meet in the First Presbyterian church, North Jefferson street, for its regular bi-weekly meeting.

Dr. Jessop will address the assembled ministers on the subject "How Far Does the Atonement Reach in the Experience of the Believer?"

Rev. Walter W. Gilliland, president of the association, will conduct the meeting, with Dr. G. S. Bennett in charge of the devotional session.

Seek Thousand Local Delegates To Convention

Within the next week plans will be started and a drive will be made to secure at least 1,000 delegates to the 84th annual convention of the Pennsylvania State Sabbath School Association, to be held in the Cathedral of this city October 9 to 11. It is hoped that the money for these delegates will be in before the county convention that is to be held in New Castle, June 13.

The last state convention city was Lancaster and they secured well over 1,000 local registrations for the 1944 convention, for in 1945 just an organization meeting was held in Lewistown.

Two Sundays Remain In County Contest

Only two Sunday remain in the eight weeks pre-Easter increase campaign being sponsored by the Lawrence County Sabbath School Association, tomorrow, Palm Sunday, and the following Easter Sunday.

The attendance has been good to date, but Easter Sunday will undoubtedly climax the effort with the largest attendance. There will be some Sunday schools that will double the average attendance of last year, Easter.

The competition has been keen throughout, especially in the first New Castle, group, and the winners in many cases will not be known until the last day. Regardless of who wins, however, all the Sunday schools that were well organized, used good publicity, and put forth an earnest effort to advance their Sunday schools, spiritually and materially will receive well-earned benefit.

The goals have been an increase in evangelism, an increase in Sunday school attendance, an increase in church attendance and an increase in Bible study.

CHICAGO MINISTER WILL SPEAK SUNDAY

Dr. Harry Jessop, president of Chicago Evangelistic Institute, will speak here Sunday evening, April 14, at 7:30 o'clock in the Church of the Nazarene, corner of West Falls and Beaver streets.

Dr. Jessop, a man of national reputation, is known as one of the outstanding leaders in the spiritual world.

Holy Week Series At Epworth Methodist

The annual candlelight communion service will be observed Thursday evening. A continuous service from 7:30 to 9 o'clock will be open to the members of Epworth and their friends.

A union Good Friday evening service will be held at 7:45 o'clock on Friday, April 19. The Methodist churches of New Castle are to be the guests of Epworth church. An impressive musical service with scripture meditation, and prayer has been arranged.

Special music will be presented at every service by the church choir, led by Miss Adah Tilla, choir director, with Mrs. Robert Tilla and Miss Lillian Durbin as pianists. Special soloists will also appear on the programs.

ADULTERY is not FORNICATION

Jesus said, "But I say unto you, whosoever shall put away his wife except it be for fornication, and shall marry another, committeth adultery." Matt. 5:32. Here we have the only Bible exception and reason for putting away a companion and marrying another one while the first one still lives. These are two different words and have a different application. Definitely so, when placed side by side as in this Bible verse. Strictly speaking, unmarried persons commit fornication, but only married persons can violate the marriage covenant and commit adultery. It is vital that we should search out the meaning of these two words, and not risk our inheritance on a possible wrong understanding of them. Webster gives the primary meaning of "fornication" as the act of an unmarried person, and "adultery" as the act of a married person. Read: Gal. 3:19; Mark 7:1-11; Cor. 6:9, 10; Romans 7:2. We specialize in teaching business of heart and life.

Passover Will Start Monday

National Holiday Will Be Observed By Jewish Community For Eight-Day Period

SPECIAL SERVICES AT SYNAGOGUES

Passover, the national birthday of the Jewish people will be ushered in Monday evening at sunset, and will continue for a period of eight days. With Dr. Iwan Gruen, in charge of services at Temple Israel, and Rabbi Hyman Krash in charge of services at Tifereth Israel synagogue, during the joyous festival season.

Following services on Monday evening, Passover services will continue on Tuesday morning and evening in both synagogues. Further services will be conducted Wednesday morning at Tifereth Israel synagogue. The idea of human liberty has become an outstanding characteristic of the Jewish people ever since the deliverance from Egyptian bondage. Passover is celebrated in commemoration of the emancipation of the Jewish people from the slavery of the oppressive Pharaohs. This idea finds most beautiful expression in the Seder service. The family assembles around one table, partakes of one service with hopes and aspirations of a brighter future and with great ideals for the betterment and improvement of the world. The various symbols of the Seder denote the cherished ideals of freedom and liberty and the desire to acquire this right for all mankind.

Passover Significance

During Passover the Jewish people are not permitted to eat of leavened bread and may only eat "Matzah"—unleavened bread. The Matzah is a reminder of slavery and a symbol of freedom. Since it has not been allowed to raise, it is a reminder of poverty and is therefore known as the "bread of affliction". It also carries a further significance that the hurried departure to freedom did not permit meticulous baking and the bread remained unleavened in the march to liberty. Especially significant is the message of Passover today, when total-

itarian tyranny has run amuck in the world ruining and devastating civilized countries under an iron-hand rule, crushing the very thought of liberty and democracy, and casting millions of humans into slavery. Again the eyes of all people turn heavenward with the prayer that the miracles of the Almighty may break asunder the shackles of enslavement and cause liberty to conquer tyranny and democracy to prevail over dictatorship so that a common brotherhood of all men may be established on earth.

Plan for Services

Services at Temple Israel, conducted by Dr. Iwan Gruen, will start Monday evening at 6 p. m., with supper services; Tuesday morning at 10:30 o'clock, services will continue, and Rabbi Gruen will speak on "The Three-Fold Meaning of Passover"; and on Tuesday evening members of the congregation will join together in a congregational Seder service at Temple Israel at 6:30 p. m.

Services at Tifereth Israel synagogue will be conducted by Rabbi Hyman Krash, and will start Monday evening at 6:45 o'clock, sunset; Tuesday morning services will be at 8 o'clock, and Tuesday evening services will be at 8 o'clock. During the services on Tuesday and Wednesday, Rabbi Krash will speak on the "Meaning of Freedom".

Emmanuel Church Meetings Continue

Pre-Easter services, which have been in progress at the Emmanuel Evangelical church, 40 South Jefferson street, will be continued each evening next week with the exception of Monday and Saturday evenings, according to announcement by the pastor, H. H. Grove.

Sermon subjects for the week include: Tuesday evening, "Pilate the Coward"; Wednesday evening, "The Penitent Thief's Conversion"; Thursday evening, "He Saved Others, Himself He Cannot Save"; Friday evening, "What Jesus Saw From the Cross".

Rev. Robert Withers At East New Castle

Rev. Robert Withers, pastor of the Branchton Methodist church, will preach Sunday evening at 7:30 to the members of the Calvary Presbyterian church, East New Castle. Rev. Withers is filling the pulpit in the absence of Rev. Robert McNeill, the pastor, who is conducting evangelistic services in the Branchton church. Rev. McNeill's series will come to a close with the Sunday evening service.

Revivals To Close At First Church Of God

Evangelistic services, which have been conducted for the past two weeks at the First Church of God, West Euclid avenue, will come to a close Sunday evening April 14. The Rev. Vance Shreckengast, evangelist, has chosen "The Modern Youth in a Future World" as his theme for the assembly which will begin at 7:45 o'clock.

WASHINGTON REPORT

(Continued From Page Four)

They say there is sufficient food available now to feed the people as they have been accustomed.

This conflicts with British claims of crop failures and famine in India. Sir Ben Smith, British food minister, says conditions are bad and will grow worse on India's food front.

CIO leaders are hoping that the current union squeeze for more money will make it easier to obtain members among still unorganized white-collar workers.

Some industries have been attempting to head off such organization by granting salaried workers raises voluntarily. But union leaders feel they still have a fertile field for organization.

Unorganized workers of the white-collar class with fixed incomes have been hard hit by recent inflationary trends, despite administration claims that the price lines are being held fairly well.

Washington observers point out that while ceiling prices have been maintained on some badly needed food and clothing items, those items have disappeared from store shelves.

Controlled Relations: Look for a state department move for better channeling of many U. S. activities in dealing with foreign countries. A few trouble-shooters who have gone abroad on special missions, report the greatest chaos in dealing with Washington on post-war relations.

The embassies abroad have no way of coordinating the operations of the agriculture department, the public health service, the commerce department, oil and aviation activities and dealings for credit with the Export-Import Bank or other agencies.

Moreover, when preliminary discussions are going on dealing with any of these subjects, there is no central funneling place in Washington.

Communications may be sent directly from representatives of any of the agencies to their headquarters. Inquiries may be battered around among minor experts and advisors for weeks before they go to a higher level. Then they may languish for some time before they reach the state department.

About 100 To Attend Gymnast On Sunday

It is expected that about one hundred American Welsh folks and friends from this city and community will attend the Gymnast Gamm (Welsh Hymn Singing Assembly) in Alloupuia on Sunday. Of those, two buses of thirty-five persons each will leave here Sunday afternoon at 1 o'clock, from East Reynolds street, near the First Congregational church.

There will be two sessions in the First Presbyterian church, at 2:30 and 7 in the evening. A Welsh tea will be served in the dining room of the church, between the sessions. Prof. William Morgan of Pittsburgh will direct the assembly and choir singing.

Mrs. Sue Harvard Armstrong of this city, will be soloist, accompanied by Edwin Lewis, organist of the First Methodist church, this city.

Trees Planted By Boy Scouts At Old Quarry

Laden with shovels and a lot of enthusiasm, local Boy Scouts traveled to the old Lehigh cement quarry this morning and began the planting of pine and walnut trees as part of a beautifying project under the direction of the Conservators.

With permission of Lawrence county officials, the Conservators have arranged to plant some 8000 of the trees on the site but due to their participation in the paper drive today, the Scouts could only work until 11:30 a. m. This afternoon the various troops were on the trucks collecting waste paper in a city-wide canvass.

THE GREAT GAME OF POLITICS

(Continued From Page Four)

"Liberals" as they call themselves, ought to be together in one party, the conservatives in the other. The existing state of affairs by which liberals and conservatives are split between the two parties makes no sense whatever and is the reason both trim trade straddle and hedge on every vital question. It is the reason the party platforms have become so absurd that they have to be "clarified" by the candidates, and no longer are taken seriously or remembered by anyone.

THE party label is primarily responsible for this silly situation. It incalculates among an extraordinary number of voters the team spirit in politics. It creates a desire to be "regular." Among the active politicians, either holds of public office or ambitions to become holders, this regularity desire is greatly increased by the character of the primary election laws and the nature of the party machine in the primaries through which gate 99 per cent of all political aspirants must pass in order to get on a ticket where their names can come before the voters.

THESE are the things that keep within the same party two bitterly incongruous and hostile elements, prevent great groups which are in complete accord on all important points from functioning together. This has been true for years. It is true today and it certainly will be true in the elections this fall and in 1948. Clearly, it is a weak point in our political system. It easily can—and has more than once—frustrated the will of the majority. However, it is likely to continue until the two parties stop bidding against each other for support of the organized minorities, the class and racial groups. So long as they keep that up the great bulk of the voters have no well defined political philosophies or programs from which to choose. And they are entitled to that choice.

SINCE 1932, the frantic and foolish Republican efforts to imitate the successful, though dangerous Democratic strategy in amalgamating with the radical elements have done about as much as the party lacks in keeping conservatives always in a minority. If they could get together apart, it seems about time the utility of this kind of competition should be realized.

County Musicians Win Honor Friday In Area Contests

High School Students Take Part In Northwestern State Contest At Edinboro

Several hundred county high school students took part in the contests at Edinboro State Teachers college Friday when the Northwestern Pennsylvania Music and Forensic League competitions were held. Those who had won in the county contests in New Wilmington, recently competed from Lawrence county schools.

Although Miss, Pa. turned out to be star performers, winning seven out of the nine events which they entered, Lawrence county schools brought home a number of honors also.

Shenango, New Wilmington Winner of the soprano solo was Dolores Bruno of Shenango high school, and the tenor solo competition was won by Harry Suttie of New Wilmington high school. Accompanists were Miss Leola Rowe and Mrs. David McHenry. Ann Paden of Shenango also took first place in the informal discussion.

New Wilmington's mixed quartet also won top honors, with Joan Thomas as soprano; Alice Frew, contralto; Harry Suttie, tenor, and William McLaughrey as bass. The New Wilmington group is coached by Miss Charlotte Davis, while Miss Theola Rowe is the Shenango director of music.

Union and East Brook The boys octet of Union High school took top honors for their singing of "The Soldier Song" and "Old Man Noah." Directed by Miss Betty Robinson, the octet is composed of Dick Wallace, Tom Dunham, Harold Straitwell, Frank Kuhn, Bob Rudehill, Percy Mounsey, Chuck Cook and Bob Kory. Union's mixed chorus also won second place in the class "B" group.

Second place in the class "C" mixed chorus competition was taken by the East Brook chorus, under the direction of Mr. and Mrs. John Davis. East Brook's boys chorus won first place, and the girls' choir second.

B'Nai B'Rith Has Bowling Banquet, Fun Is Rampant

First Annual Duckpin Banquet Thursday Proves Most Enjoyable Event

B'Nai B'Rith duckpin bowlers held their first annual banquet Thursday evening at a New Wilmington road cafe and had a full turnout of members. The men enjoyed a spaghetti and meat ball and chicken dinner that left them well satisfied inwardly as well as outwardly.

James Myers, acted as master of ceremonies and called on Nathan Love for the invocation. After the members of the league had filled up on the good things prepared by Sam (Coke) Cohen, a recess had to be called to let the boys pull themselves together for what was to follow.

Evening of Fun
The after dinner festivities began with the bowling champion, Hy Ruzewich, speaking and thanking the members of the committee for their fine support during the first league season. Ruzewich also spoke of the fine spirit of cooperation and fellowship that existed this year and said that he hoped for a bigger and better league next year.

Next the master of ceremonies and (Poet Laureate) James Myers then read his masterpiece of each member of the league which proved a rollicking affair, as Myers presented the pieces in masterly fashion.

Eddie Myers Presents Gifts
The meeting was then turned over to Eddie (Leslie) Myers, the crown prince of the evening, who presented after a very amusing talk members of the winning team, the Reds, with appropriate gifts. Eddie was his usual gracious self as he handed out the awards with humorous remarks.

Dave Rosenblum, captain of the championship team responded for the team with a fine talk, thanking the members for their gifts. The Whites, captained by Dr. Henry Sloan, also received gifts as runners-up, not quite as elaborate but well received. There was spirited battle at the alleys recently for the title, the Reds predominating.

Officers of Lodge Speak
The final part of the program was remarks by president of the B'Nai B'Rith Lodge No. 609, Edward Kovach, and by vice president, Philip Weiner. Both men expressed their gratitude for the spirit shown in backing the bowling venture in its first year and to Hy Ruzewich for keeping the league going.

Another feature of the evening was the pep singing led by Sherman Levine, and his melodious voice. Much credit for the success of the evening is due Jimmy Myers who acted as chairman and to his fine committee which consisted of Dave Rosenblum, Hy Ruzewich and Dr. Henry Sloan.

After the banquet the men enjoyed a social time with everyone eagerly looking forward to another loop next season and another such fine banquet and fun.

Third U. P. church junior basketball team won the Junior Church League championship at the "Y" last evening, defeating the First U. P. 23 to 19 in a thrilling battle. Reed-Fullerton Star
Fullerton led the scoring for the losers with 13 points and was really the reason First U. P. stayed in the game. Reed and Fullerton put on a real scoring.

This was a final league game of the year—the "Y" it was announced by Physical Director Jimmy Darr, who has directed the Junior League as well as the Senior League, and done a swell job.

Duquesne Returns To Major Sports

Duquesne Will Again Have Football And Basketball Team, Alumni Assures

PITTSBURGH, April 13.—(INS)—The return of Duquesne university to intercollegiate sports was assured today as a result of action taken by the Federate Alumni association.

Acting university president, Rev. Francis Smith, disclosed plans to bring the Dukes back to the heights they realized before sports were discontinued in 1943.

Duquesne was one of the major colleges in the country to withdraw from sports during the war.

Father Smith said the Alumni association has appointed a committee to draw up plans for the resumption of athletics. He said the school was "definitely" going into intercollegiate sports again.

Lee Kelly Wins 126-Pound Crown

Lee Kelly, of Pittsburgh, won the 126-pound championship in the A. A. U. glove meet at Boston when he defeated Gerald Labore, of Gary, Ind. Ben Shelton, of Pittsburgh, advanced to the finals to be knocked out by Bob Foxworth, of Chicago, in the 175-pound class. The National A. A. U. champs for 1946 are:

112-pound—David (Boo) Buna, of Puna, Hawaii.

118-pound—Tsuneshi Mauro, of Honolulu, Hawaii.

126-pound—Lee Kelly of McKeesport, Pa.

135-pound—Sam Joseph DiNapoli, of the Cherry Point, N. C., Marines.

147-pound—Robert (Mito) Takashita, of Honolulu, Hawaii.

160-pound—Col. Harold (Farmer) Anspach, of Williamsport, Pa., fighting with the Cherry Point Marines.

175-pound—Robert Foxworth, of St. Louis, fighting with the Chicago team.

Heavyweight—Charles Lester, of Cleveland.

Larry MacPhail Rather Choosey

NEW YORK, April 13.—(INS)—Larry MacPhail, president of the New York Yankees, declared Friday that he stood ready to trade any player on his club—but there was a catch to his statement, and a mighty big one.

The only players for whom Larry the Red will swap are the five best pitchers in the league—Bob Feller of Cleveland, Steve Gromack of the same club, Virgil Trucks of Detroit, and Tex Hushon and Dave Ferriss of the Boston Red Sox. He said:

"They're the only guys I'll deal for. We don't need any of the 100 other pitchers in the league—we've got plenty of that kind ourselves."

Lawrence Indies To Practice Sunday

Manager George "Boss" Zidow plans a stiff workout for his Lawrence Indies baseball team Sunday at the Cedar street grounds, with his session beginning at 1:30 p. m.

All players who have already put their names to the contracts are asked to report to the practice and any other players who may be interested are invited to turn out.

Fair Or Foul

By LAWTON CARVER
(International News Service Sports Editor)
NEW YORK April 13.—New York is getting its first glimpse of the post-war Yankees over this weekend and probably will promptly join in the widespread belief that these Yanks will win the American League pennant.

You can get an argument at any moment in any part of the nation by merely mentioning that the Boston Red Sox and Detroit Tigers still are in the league.

Yanks Look Good

There is a tendency to pin the Red Sox misfortunes on Manager Joe Cronin, despite what seems to be the obvious fact that he has had few teams anywhere near the all-around class of the Yankees, who have dominated their league for years.

Everybody says the Tigers were simply lucky to be the best of a bad lot, and when they came through last season.

The Yankees are excused for their failure and applauded for their premeditated return to greatness.

They have been great this spring in exhibitions—perhaps the best club in the south taking them all the way round. They seem to have a slight edge on the others, but they haven't yet proved their rights to be called super-greats.

Floor Champs Dine Tonight

Chick Davies and Grover Washabaugh will speak at K. Pulaski Banquet

K. Pulaski County floor champions the K. Pulaski "Big Five" will be honored tonight as the K. Pulaski club on Atlantic avenue pays homage to a great basketball team. The affair is slated to get under way at 8:30 o'clock. It was announced by Coach and Manager Al Gonet.

Attorney Walter Kieler, a recently returned naval officer will toast master the banquet which will have as principal speakers—Grover Washabaugh, Westchester college coach, and Chick Davies, Home-Head High and former Duquesne U. coach. There are several other local sportsmen on the speaking program.

Several Hundred Expected

Several hundred, including the wives and girl friends of the players will take part in the affair that is the hour of the hour in the Oakland district today.

The K. Pulaski club has waited a long time for an event like this and the boys will make the most of the occasion with a swell time in store for all who attend. This is the first City-County title that the Pulaskis have ever won. They had a great team the past season and will be back next year just as strong it was estimated.

Rifle Champions To Meet Sunday

Members of the championship New Castle Rifle club will gather at the Cathedral Sunday at 2 o'clock to have their pictures taken. It was announced by Secretary Charles Phipps today.

The New Castle club won both halves of the Interstate Rifle league, meeting some keen competition the second half from Evan, Cvt. and Beaver Valley. Leo W. Hill is president of the New Castle Rifle club.

Fritz Zivic Wins Decision

PORTLAND, Ore. April 13.—(INS)—Fritz Zivic, former world's welterweight champion, demonstrated his old ring style in taking a ten-round decision over Lincoln Stanley, Oakland Negro, in the Portland civic auditorium last night.

Zivic at 138, gave away 15 pounds to Stanley's 153.

It was a slick boxing bout with little blood letting.

READING MAN WINNER

ORLANDO, Fla., April 13.—(INS)—George Fairchild, of Reading, Friday was declared winner by default of Class C competition in the Florida Teachers' association meet at Orlando.

Fairchild tied William Salisbury, of Miami, 189 out of 200. Salisbury failed to appear for the final elimination match.

PHILADELPHIA, April 13.—(INS)—A G.I. who was wounded in a Luzon fight was accorded the honor of throwing out the first ball when the New York Yankees and Philadelphia Athletics opened the 1946 season at Shibe Park on Tuesday.

The G.I. is PFC Ray E. Keikiner, 31, of Wash. Minn., who was selected by lot from among patients at Valley Forge General Hospital.

Phil Terranova To Meet Jackson

CLEVELAND, April 13.—(INS)—Former world featherweight champion Phil Terranova, of New Orleans, was matched today against Leroy Jackson, of Cleveland, for a 10-round bout in the Cleveland arena on Saturday, April 20.

The engagement will be one of four 10-rounders to be presented by matchmaker Larry Atkins on East-erve. The fight was expected to attract a record crowd because the Cleveland Indians and the Detroit Tigers will be opening the home season the same day in the Cleveland Stadium.

Tony Zale Wins Bout By Knockout

OMAHA, Neb., April 13.—(INS)—Tony Zale, of Gary, Ind., world's middleweight champion, was a real punching artist today in the opinion of Omaha fans.

Zale needed only two rounds last night to knock out Ira Hughes, 168, of Pittsburgh, before 4,500 fans.

Tony dropped Hughes for a short count before he kayaked him with a left hook and right cross.

The bout was scheduled for ten rounds.

Sophomores Win High Class Meet By Close Margin

Defeat Juniors By Two Points 77½ To 75½ With Seniors Third With 60 Points

New Castle High school is going to have a strong track team this year, and the next two years, it was indicated Friday at the stadium when the Sophomores captured the annual Class Meet 77½ to 75½ over the Juniors with the Seniors third with 60 points, as the result of a two-day meeting.

Head Track Coach Bill Klee was all smiles late yesterday as he watched the first-year men win the important meet with such stars as Gene Gribble, Lou Gilmore and Sid Lockley, Jr., standing out quite prominently.

Outlook Very Promising
Yes, Sir, New Castle High and Bill Klee can look forward to at least two more good years on the outdoor paths with these boys mentioned above bound to improve. Yoho, Pups, Tate, Gillespie, Bender, and Wasiewski round out a line looking squad.

The Sophomores were the first day of the meet scoring 49½ points to 35 for the Seniors, and continued their fine work Friday as young Lockley breezed in with a great half-mile run of 2 minutes and 08 seconds to beat out Ralph Stokes, a Senior, and a good distance runner.

Relay Outlook Pleasing
What really was a pleasing sight to Coach Klee was the mile relay that went to the Sophomores also, with Gene Gribble running anchor and defeating "Red" Richards of the Junior team in a swell finish. The time was not too bad either at 4 minutes 47 and 8 seconds.

New Castle High varsity track has great possibilities this year and will test their strength on Thursday, May 2 with a dual meet scheduled with Meadville High at Meadville.

New Castle is looking ahead to the relay at Washington and the annual W. P. I. A. L. at Conneville, where good showings are expected in both meets, judging from the results of the class meet.

Forty Seven Divorce Cases In Hearings At Court On Friday

Any time you have that exhilarating feeling that comes with spring, when the world is just a bowl of cherries and your spirits are in the upper bracket, drop into a divorce court if you want to come back to a lower level.

Yesterday would have been a good day in the Lawrence county court house. Forty-seven divorce cases were listed for hearing by Judges W. Walter Graham and John G. Lamore and all day long they listened to the tales of marital woe poured out from the stand, most of them by women.

Of A Pattern

There is a great deal of sameness in the grounds of complaints and yet there are a number of subdivisions. Grounds for divorce in Pennsylvania are many, among them desertion, immorality, imprisonment of the other spouse, cruel and barbarous treatment and indignities to person.

Cruel and barbarous treatment and indignities to person are something like charity, they cover a multitude of sins, and these two sets of complaints are the most common. In many many cases they are joined, for being like a tent they cover most anything at all.

Among the specific complaints in the cruel and barbarous treatment and indignities to person categories are drunkenness, physical violence, rudeness before strangers in company with the spouse, violent and abusive language and like Ben Adheim, drunkenness leads all the rest.

Others Stem From It

It is safe to say that in almost half the cases heard, excessive drinking figures and this in turn brings on slaying out at night, handing around with undesirable characters, rudeness before guests, and all too often beatings for the little woman. Desertion, of course, is self explanatory. The erring spouse has been gone for two years or more and that's that. Infidelity has to be proven but in both of these charges, excessive drinking enters in many cases.

In the past year the number of war marriages that have ended in

the divorce courts is alarming. Lack of comprehension of the seriousness of marriage may have something to do with, spur of the moment decisions may be a part of it, but the fact remains that a lot of youngsters married in 1943-44-45 are in the divorce courts now.

One wonders why. Not so long ago the young man and young woman apparently were in love sufficiently enough to wed. Yet in one, two or three years the romance is on the rocks and the judges have to listen to the story.

Depressing

A divorce court is depressing. Up from the court room to the witness stand go the libellants, there to tell the judge their stories. On Friday there was a lot of evidence of excessive drinking upon the part of the husbands. Some of the women told of beating, black eyes, bursted ear drums.

Others complained their husbands were abusive before guests, broke up the furniture at times, stayed out till five or six in the morning, and in general made life burdensome.

It's a drab court, one that must leave the judges with a heartful desire to kick the human race in a spot that would do the most good. And it's increasing. Friday set a record for the Lawrence county court. Forty-seven couples, ninety-four men and women who one day promised "until death do us part." It was a short life.

VAN JOHNSON'S CONDITION FINE AFTER OPERATION

HOLLYWOOD, April 13.—(INS)—Van Johnson, screen idol of the bobby-soxers, was recovering Friday at Good Samaritan hospital from an operation necessitated by injuries suffered last year in a motorcycle accident.

His physician, Dr. Kenneth Snidley, reported Johnson's condition was "fine."

PAWLEY CONFIRMED

WASHINGTON, April 13.—(INS)—The Senate Friday unanimously confirmed the nomination of William D. Pawley of Florida, as ambassador to Brazil.

At the same time, the Senate confirmed three appointments to the U. S. Tax Court. They were Rep. Luther A. Johnson (D. Tex.), Bolton B. Turner of Arkansas and J. Russell Leach of Pennsylvania, all for 12-year terms starting next June second.

Scouts Awaiting Journey To Camp

Registration Now Open For Summer Sessions Which Begin On June 16

Summer camp activities, always a highlight in the life of a Boy Scout, will be here soon, the Lawrence county site on the Slippery Rock creek opening June 16.

Thomas G. Able, scout executive, announced today that registration is already open, the district troop members requested to sign for their week in the open before the deadline of June 1 if they wish to receive the reduced rates.

The county camp is located in the northeast corner of Slippery Rock township just north of Rose Point on the Slippery Rock creek at Kennedy's Mill. For the scout who has already enjoyed the fun and instruction to be had at the summer sessions, nothing can be added, but for the new Boy Scout, a week of high adventure is ready to unfold for him.

The camping periods are one week in duration and will continue for five weeks until July 21. As has been the custom for some years past, high grade instruction and leadership for both the senior and junior groups will be provided.

Agonizing prospective enrollees for the summer session are requested to make their reservations at the council office, 314 Grey building, phone 5477, before going to camp.

TO DRAW PLANS

Plans and specifications for a new clock in the tower of the court house were authorized Friday by the county commissioners. The commissioners feel the old clock should be replaced, for it has been useless for the past six months.

PROTESTS PROPOSED CHANGE

County Superintendent of Schools John C. Syling appeared before the county commissioners Friday and protested the proposed exchange of offices between his force and that of the district attorney.

"The offices we now have on the second floor of the annex are barely adequate," said he. "The present rooms of the district attorney would be entirely inadequate. I believe that education is as important as the prosecution of criminals."

The commissioners pointed out that the present quarters of the district attorney have never been adequate, that persons in the hallway can often hear conversations in the district attorney's office, conversations that should be private to the office.

The commissioners finally agreed they would investigate the two sets of offices before making any decision.

English War Bride Will Make Home In Wampum District

Nineteen-Year-Old Noreen Boohar Arrives In County After Trip From Liverpool, England

After a nine-day trip across the Atlantic on the converted hospital ship Holbrook, Noreen Boohar, 19 years old and Wampum district's first English war bride, has arrived in the county to make her future home.

Stopping in at The News, along with her husband, Robert K. Boohar of R. D. 1, Wampum, Friday afternoon, Mrs. Boohar told a reporter that she was glad to be here, after months and months of waiting to secure passage.

Noreen, who with her husband and 14-month-old son Carl drove the distance from New York to New Castle, using the Pennsylvania "dream highway", reported that she was amazed at the vastness of this country, even with the little bit that she has been able to see.

"The first thing I did when I arrived in New York City," said Mrs. Boohar, "was to buy me a complete outfit from head to toe. Things that I haven't seen for a long time. I may have some of Liverpool were very plentiful in New York and I sure took advantage of it."

Asked how she met her husband, she said that she met in a skating rink in July of 1943 and it was almost love at first sight. Not losing much time the couple were soon married in Liverpool and were together until the army sent her husband back to the states.

Mrs. Boohar, who is the daughter of Mr. and Mrs. A. Edge of Liverpool, stated one of the most outstanding traits of the American people she has discovered, is their congeniality. "Every place I go, people are so polite."

After leaving boarding school, which is comparable to our high school here, Noreen worked as a window trimmer in a large Liverpool department store up until the time of her marriage.

Her husband, who is a former News carrier in the Wampum area, is the son of Mr. and Mrs. Fred T. Boohar, R. D. 1, Wampum, at whose home the couple, with their young son, expect to make their home. Mr. Boohar plans to take training under the G. I. bill this fall.

Before leaving The News, Noreen the couple were taken for a tour around the plant to see how The News is printed.

Frantic Efforts Being Made To Halt Sugar Strike

PHILADELPHIA, April 13.—(INS)—Unless last-minute settlement is made, an estimated 70 per cent of the nation's sugar supply will be cut off tonight by a strike of some 8,000 workers in eight eastern refineries.

Three of the mills are located in Philadelphia and the rest are strung from Boston to Baltimore. The workers are due to walkout to enforce wage demands being pushed by a coalition of AFL and CIO unions.

Federal government mediators were making frantic eleventh hour efforts to prevent the strike, however.

NEW HOPE FOR SETTLEMENT OF ELECTRIC STRIKE

PITTSBURGH, April 13.—(INS)—New hope for settlement in the 89-day-old Westinghouse Electric Company strike loomed today with announcement that closed sessions will continue between union officials and management next Tuesday.

During the last few days James Motley, CIO-United Electrical Workers negotiator, and Vice President L. E. Osborne, of the Westinghouse Electric company, have been conferring behind closed doors in an effort to settle the strike.

CHRISTMAS TREE CAUSE OF DIVORCE

CAMDEN, N. J., April 13.—(INS)—Mrs. Bernice Beuse, of Camden, held divorce papers today thanks to her ex-husband's love for Christmas trees and the wide open spaces.

What impressed the judge was Mrs. Beuse' claim that Robert Beuse flew into a rage when he came home shortly after last Christmas and found the tree had been taken down.

She said Beuse made her put up the tree again and redecorate it. She also said he used to leave home and stay away for as long as 18 months at a stretch.
